The Belgian Association of Clinical Research Professionals (ACRP.be)

ACRP.be

is proud to announce the 22nd European Conference & Exhibition on “Latest Clinical Trials Breaking News” for Clinical Research Professionals.

Thursday, October 24, 2019 from 9-18h

Venue: Business Faculty, Sint-Lendriksborre 6, 1120 Brussel (Neder-Over-Heembeek)
([Download het Routeplan](#))

Over the past few years, the clinical trials landscape has changed almost beyond recognition with a host of new regulation, methodologies, technologies, and data-driven approaches. ACRP.be is committed to provide global leadership to promote integrity and excellence for the clinical research profession. It is a conference that you should not miss.

So, join us for this unique event to gain knowledge, network with peers and celebrate. We look forward to seeing you there.

Sincerely,

Robert Lins
President ACRP.be

ACRP.be connects colleagues working in the pharmaceutical, biotechnology and medical device industries, as well as in hospitals, academic medical centers and physician office settings.

Our vision is that clinical research is performed ethically, responsibly, and professionally everywhere in the world.

Our mission is to promote excellence in clinical research.
